

Landings at Lakemoor Community Easter Egg Hunt and Spring Neighborhood Get Together

When: Saturday, April 7, 2007

Start time: 2:00 pm

Start and Finish location: Entrance to the Green Way by the Pond
(Please, be fair, no early hunters!)

Come join us for some fun and neighborhood fellowship.

We would like homes throughout the development to volunteer to be host homes.

We ask that you "hide" plastic Easter Eggs filled with small treats in your front yards only. If you agree to be a host home a balloon will be placed on your mailbox to indicate your house has had an early visit by the Easter Bunny. In addition, you will be given some special Easter Eggs that contain tickets which can be redeemed at the end of the hunt for candy and prizes.

Two age categories:

0 to 5 years (yellow balloons)

6 to 12 years (green balloons)

Balloon color on host houses will indicate which age group should be searching for eggs at that house.

Maps will be given at the start of the hunt to indicate houses also.

Refreshments for all ages will be served after the hunt at the Greenway.

Yes, we will be there. Name _____ Phone _____

We will help out by:
